

FAGE INTERNATIONAL S.A.

PRESS RELEASE: AUGUST 7, 2023

FAGE ANNOUNCES UNAUDITED HALF-YEARLY RESULTS FOR THE SIX AND THREE MONTHS ENDED JUNE 30, 2023 IN REPORT TO SENIOR NOTE HOLDERS

FAGE International S.A. (the “Company” or “FAGE”) today announced its financial results prepared in accordance with International Financial Reporting Standards for the six and three months ended June 30, 2023 in a half-yearly report (the “Half-Yearly Report”) to the holders of its 5.625% Senior Notes due 2026 (the “Senior Notes”).

Our sales in value for the six months ended June 30, 2023 amounted to \$309.6 million, an increase of \$29.7 million, or 10.6%, as compared to sales in value of \$279.9 million for the six months ended June 30, 2022.

Gross profit for the six months ended June 30, 2023 was \$143.7 million, an increase of \$60.5 million, or 72.7%, from \$83.2 million for the six months ended June 30, 2022. Gross profit as a percentage of sales for the six months ended June 30, 2023 was 46.4%, compared to 29.7% for the six months ended June 30, 2022. The main reason for this increase was the decrease in the prices of milk used in the Greek and U.S. facilities by 38.4% and 21.5%, respectively.

Operating profit for the six months ended June 30, 2023 was \$68.0 million, an increase of \$44.7 million, or 192.1%, as compared to operating profit of \$23.3 million for the six months ended June 30, 2022. As a percentage of sales, operating profit was 21.9% for the six months ended June 30, 2023, as compared to 8.3% for the six months ended June 30, 2022. This increase in operating profit is mainly due to the increase in gross profit, which was partially offset by the increase in SG&A and other expenses.

Profit before income taxes for the six months ended June 30, 2023 was \$63.1 million, as compared to profit before income taxes of \$8.6 million for the six months ended June 30, 2022. This increase in profit before income taxes is mainly due to the increase in operating profit, decrease in financial income/(expense), net, and foreign exchange effects.

Income tax expense for the six months ended June 30, 2023 was \$14.3 million, as compared to an income tax benefit of \$0.2 million for the six months ended June 30, 2022.

Net profit for the six months ended June 30, 2023 was \$48.8 million, as compared to net profit of \$8.9 million for the six months ended June 30, 2022.

On August 3, 2016, the Company and FAGE USA Dairy Industry, Inc. (“FAGE USA”) issued \$420,000,000 principal amount of their 5.625% Senior Notes due 2026 under an indenture dated as of August 3, 2016 (the “Indenture”) by and among the Company and FAGE USA, as issuers, FAGE Greece Dairy Industry Single Member S.A., as guarantor, The Bank of New York Mellon, acting through its London Branch, as trustee, The Bank of New York Mellon, as U.S. paying and transfer agent, and The Bank of New York Mellon (Luxembourg) S.A., as registrar. As of June 30, 2023, an aggregate principal amount of \$288.4 million of the Senior Notes remained outstanding.

The Half-Yearly Report is being provided to holders of the Senior Notes pursuant to Section 4.02 of the Indenture. The Half-Yearly Report is also available on FAGE’s website at home.fage.

FAGE is a leading international dairy company with a focus on yogurt. FAGE has significant sales in the U.S. yogurt market, growing international sales outside of the United States, and leading market positions in the Italian, U.K. and Greek yogurt markets. FAGE has grown from its origins in Greece in 1926 to become an international company with sales in approximately 30 countries in Europe, the Americas, Asia and Africa.
